Shadows

Chapter 1 by Astrid

People were breaking through the trees. Black hooded people. Too many to count. I cursed. "How did they find me?" I thought furiously. "There's no way I'm getting out of this unscathed." While I was thinking, the hoods had surrounded my tree. I stared at them. They seemed to have no body, no face. They were made of shadows.

Chapter 2 by Mallory

I quickly looked around. "Nowhere to go," one of them said in a whispered voice. Then I looked up the tree. Up that's where I need to go I thought. I quickly started to climb the tree. I'm a very good climber, I've won ten climbing competitions with my friends but there was no time to boast. I climbed and climbed. The shadows just looked up at me, but I didn't care, as long as I was nowhere near them. I got to the top of the tree, then I noticed something, all of the trees that I thought I saw were gone. It was only my tree up there, everything else was like a desert. I had nowhere to go, just as they had said.
